Frank:

I have had to let Lloyd know that I will be
in Chicago the night of your AIA dinner. Sorry
to miss the opportunity to see once again so
many aerospace friends.

Regards,

John N. McMahon

John:

Lloyd Lauderdale asked me to make sure you knew who else was invited to the AIA Aerospace Council Dinner in April. (You should have already been invited). I've attached the guest list along with a page out of the Defense Daily outlining the AIA executive structure.
